WEDNESDAY  
21<sup>ST</sup> JUNE  
2023

## FAMILY FUN DAY AT FITZGERALD'S PARK, CORK CITY

12PM  
TO  
3PM

This is a family-friendly day where the people of Cork will have a chance to learn about Traveller culture and traditions. Activities will include a petting zoo, traditional paper flower making and beady pocket making workshops, as well as performances from the renowned Traveller singer Kathleen Keenan and Traveller children who play the accordion and banjo! APC Microbiome and the TVG creche will have their own stalls, which will include an inflatable gut play tunnel for children, and we will be handing out goody bags.

The Traveller culture exhibit Toraig on the Tobar will be open in Cork Public Museum. Come in to see the full size barreltop wagon & our new exhibition on Traveller tinsmithing, with film footage & photos – including a celebration of Cork's last tinsmith Danny Hourigan.

All events by the  
Cork Traveller Visibility Group  
and the
